# BEAUTIFICATION & SPIRIT DAY

by Kristina Rodriquez

I am happy to introduce you to one of the teachers of The Nest Academy, Mrs. Laura Reed and her middle school leadership class, Kristina, Ashley, Kevin, Jace, Franky, and Robert. The middle school leadership class and Mrs. Reed decided to organize a Beautification Day to have fun and to fix up the school. The Beautification Day improved the school by making the school look presentable with new flowers. We raised money for the food and the drinks. We had 57 volunteers and students from The Nest Academy and Charlotte Country Day School. The Beautification and Spirit Day was successful because we were able to clean up the school inside and out and have fun playing outdoor activities.
